

GREASBY INFANT SCHOOL

NEWSLETTER 24TH OCTOBER 2025

Welcome

Wow - what a fantastic first half term we have had!

All the children performed beautifully in our school Harvest and thank you to everyone for your kind donations which were very much appreciated by Forum Housing.

This week F2 have taken part in balance bike bikeability and they all had lots of fun and can now go very speedily!

Next half term always promises to be busy but full of fun and dare we say the word 'Christmas!' Please find attached all important dates needed for next half term. Have a lovely week off!

Mrs Grimster

Library Visit

We were really pleased to hear about Greasby Library staying open. All our classes will be visiting and some classes have already been and loved listening to the stories and making different crafts.

FRIDAY CERTIFICATE

WINNERS

Robins - Olivia and Roman

Kingfishers - Poppy and
Dexter

Barn Owls - Joe and Ruby

Woodpeckers - Rhodri and
Sophia

Skylarks - Jamie and Brooke

Starlings - Ella and Isabelle

Parking

We are seeing lots of unsafe and dangerous parking around school on yellow lines and corners which is causing near miss accidents and upset residents.

Please ensure you are waiting and parking in an appropriate space for the safety of all children and not blocking driveways or corners.

Attendance

Holidays in term time could incur a fixed penalty notice.

For more information on the updates please see our website and the Wirral website.

This also has information regarding attendance & you can download future Wirral holiday dates that we follow (apart from 5 INSET dates that need to be set).

Please put any requests in writing to Mrs Grimster by completing the holiday request form.

FOGIS

A big thank you to the FOGIS for our new sets of headphones, talking tins and glockenspiels!

Visit our school website for information

MATHS OPEN EVENING

Last week we hosted our Maths Open Evening which was very well attended and enjoyed by both children and parents.

This year we have redesigned our Maths curriculum to ensure children have lots of practical learning opportunities with a range of concrete resources before moving to recording answers. We are also focusing on ensuring the fundamental skills are in place through our place value and calculation methods to then allow children to problem solve and reason.

We will be sharing lots of ways you can help your children with this to make Maths fun and exciting!

We have enjoyed this week...

Wrens (Preschool) Laurence - "The farmer grew pumpkins. Pumpkins are in the ground and are green then orange."

Kingfishers (F2) - Archie "Yesterday I learnt how to ride a bike without stabilisers on the playground!"

Robins (F2) Henry - "We made soup. We chopped up carrots."

Woodpeckers (Y1) Ava P - "I liked making my fruit salad. I enjoyed chopping up the strawberries, apple and kiwi."

Barn Owls (Y1) Florence - "We made a fruit salad. Mine had strawberries, banana and kiwis. I took a bite of the banana!"

Skylarks (Y2) Isabelle L - "We have been drawing pumpkins with patterns and then had to colour them in."

Starlings (Y2) Layla - "I have enjoyed Literacy as we have been learning about different festivals."
