

GREASBY INFANT SCHOOL

NEWSLETTER 16TH JANUARY 2026

Welcome

Happy New Year!

2026 promises to be another exciting year in school with lots of fun activities planned in!

It has been lovely hearing all about the children's Christmas adventures and presents. It sounds like we will have lots of budding gymnasts and Lego creators!

This week FI children have made their school choices and we are excited to soon find out who will be joining us in September. Have a lovely weekend!

Year 2 Panto

Last week Year 2 visited the Floral Pavilion to watch Robin Hood Babes in the Wood. The children loved joining in all the songs and phrases, especially the '6-7' song! We also enjoyed spotting some of Greasby Infants own superstars dancing on the stage! Thank you to the FOGIS for paying for the coach.

Attendance

Holidays in term time could incur a fixed penalty notice.

For more information on the updates please see our website and the Wirral website. This also has information regarding attendance & you can download future Wirral holiday dates that we follow (apart from 5 INSET dates that need to be set). Please put any requests in writing to Mrs Grimster by completing the holiday request form.

Well Done!

2026 Learning Has Begun!

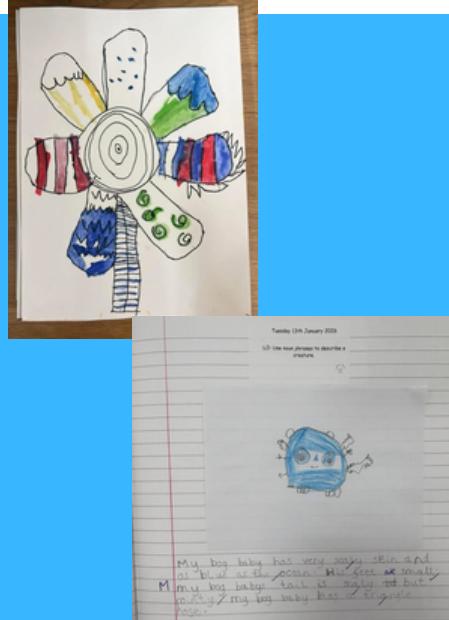

This week we have had lots of fun learning around school and it has been great to hear the children talking about this.

In F1, children have had lots of fun exploring ice and saving the trapped penguins.

In F2, the children have created beautiful flower images based on the artist Ian Fennelly.

In Year 1, the children have been writing character descriptions based on Hermelin the detective mouse.

In Year 2, they found the Bog Baby and produced some great setting and character descriptions about him.

PARKING

As a school we are receiving complaints regarding parking around the school from our local community. We are in a busy area with a cluster of schools close together and we are trying to work as one to ensure everyone's safety.

This is a reminder to all families to park responsibly around the school and observe parking restrictions. Sensible parking helps reduce congestion, keeps children safe, and shows respect for our local community. Please treat each other with courtesy.

Thank you for your cooperation.
