

# GREASBY INFANT SCHOOL

## NEWSLETTER 13<sup>TH</sup> FEBRUARY 2026

### Welcome

Another great half term complete! I can't believe we are half way through the school year already. Time flies when you are having fun.

The children had lots of fun this week in Mrs Cooper's pancake assembly - lots of pancake flipping and cheering. What will you have as your topping?

Our F2 children also visited the library again and it is lovely to see us being part of Greasby community. Have a lovely half term!

*Mrs Grimster*

### RSPB BIRDWATCH

In F2 the children took part in the RSPB Big Garden Birdwatch. They made bird feeders, painted birdhouses, descriptive writing on birds and even made clay Robins and Kingfishers. They then made binoculars and went to forest school to look for different birds.

### Friday Certificate

#### Winners

Robins - Elijah and Owen W

Kingfishers - Dylan S

Barn Owls - Roman and Grace

Woodpeckers - Franky and

Ava P

Skylarks - Harrison D, Palma,

Isabelle L

Starlings - Ivy and Dexter

### Car Park

Please do not walk across the car park during drop off and collection to ensure safety.

Please do not park in the car park unless agreed with the school office.

Thank You

### Attendance

Holidays in term time could incur a fixed penalty notice.

For more information on the updates please see our website and the Wirral website.

This also has information regarding attendance & you can download future Wirral holiday dates that we follow (apart from 5 INSET dates that need to be set).

Please put any requests in writing to Mrs Grimster by completing the holiday request form.

### Visit our school website for information

### FOGIS

Thank you to everybody who attended our Valentine's Disco and to all our volunteers and helpers for making it possible.

Friends of Greasby Infant School

# Chinese New Year

This week the children have been learning and celebrating Chinese New Year. They have looked at the animal race story and know that this year is 'The Year of the Horse.'

As part of their learning children have wrote recounts and descriptions of the story, made lanterns and envelopes, learnt different Chinese New Year songs and some have even tried food tasting! In assembly all classes shared the different activities they have enjoyed.

## MEET THE GOVERNORS - Sadie (Parent Governor)

Hello, my name is Sadie and I am pleased to have recently joined the governing team as a parent governor. I am a pharmacist by background and recently moved into higher education as a lecturer at the University of Liverpool, where I help to develop and teach the next generation of healthcare professionals.

My daughter loves being part of the school, and as a parent, it means so much to see her come home happy, confident, and excited about what she has learned. She has inspired me to become more involved and contribute to the school in a strategic role, helping to ensure it continues to be a nurturing and inspiring place for all children. I am passionate about supporting the school's vision of growing minds, happy hearts and bright futures.

Since joining the governing body, I have already learned so much about the dedication and hard work of the school staff, and the care and thought that goes into creating a positive learning environment for every child. I have also gained a greater understanding of the important strategic role governors play in supporting the school's development and future direction. I look forward to continuing to work with school leaders and fellow governors to help the school continue to thrive.
