

# GREASBY INFANT SCHOOL

NEWSLETTER 27<sup>TH</sup> MARCH 2026

## Welcome

How is it the end of term already! It has been a busy Spring term that has finished fantastically with Easter Celebrations and a Rocksteady concert.

It was also lovely to see so many parents at Parent's Evening and receive such lovely feedback. 100% of the survey said they would recommend our school which we are so proud of!

We hope you all have a great Easter and eat lots of chocolate!

# EASTER CELEBRATIONS

We have finished Spring term with lots of fun Easter celebrations!

It was lovely to see so many family members joining us for our songs and craft stay and plays. The children have also been busy in different activities making Easter cards, baskets and even chocolate crispy cakes!

## A BIG WELL DONE!

Last week we had a visit from the Local Authority to look at the school and all the wonderful work that is happening. We are so pleased with how impressed they were and below are some extracts from their visit:

“From the moment you arrive at Greasby Infants, the school’s warm, welcoming atmosphere is immediately apparent. The recently refreshed vision—“Happy Hearts - Growing Minds - Bright Futures”, introduced in September—is proudly displayed in the entrance hall.”

“The school continues to demonstrate strong and sustained performance in the Early Years Foundation Stage. The Good Level of Development (GLD) remains consistently high year on year, reflecting secure early learning foundations and highly effective teaching practice.”

“Writing is a notable strength across the school. Handwriting is well taught, and the emphasis placed on developing writing skills is clear in the high-quality work seen in books.”

“Greasby Infants is an inclusive school where every child is known and supported.”

“Greasby Infants is a thriving, happy school where children are encouraged to do their best and feel proud of their achievements. The combination of strong leadership, consistent teaching, well-embedded phonics, and a nurturing culture ensures that pupils are well prepared both academically and personally for the next stage of their education. The school is improving at pace and is exceptionally well positioned to continue building on its many strengths.”
