WHAT MAKES OUR SCHOOL SPECIAL?

A message from the Greasby Infant School Council

We asked the children what they love about our school. Here are some of the things that make it such a special place to learn, play and grow!

FUN LESSONS

We enjoy exciting lessons where we learn lots of new things and discover something different every day.

SPECIAL FOCUS DAYS

One-off days, such as Languages Day, help us try new activities, learn about other cultures and have fun.

SCHOOL DISCOS

Our discos are a chance to dance, laugh and make happy memories together.

OUR SCHOOL FOREST & GARDEN

We love taking our learning outdoors, exploring nature and finding out about the world around us.

OUR PLAYGROUND

There is space to play and be active, with climbing equipment and a football pitch to enjoy with our friends.

OUR AVIARY

We love visiting the aviary and caring about the birds that live at our school.

COMING SOON: OUR SCHOOL COUNCIL VISITOR BOOKLET

Over the coming weeks, the School Council will create a booklet for new visitors. We'll explore some of these special things in more detail, so visitors can discover what makes Greasby Infant School a wonderful place to be.

Grow • Belong • Nurture
